Introduction

ABOUT US

Our multi discipline team with more than 10 years of experience combines eye-catching interior design, intelligent space planning, leading-edge technology and a flawless finish to create uplifting, inspirational interiors to change your working environment and improve your business. Our expert designers and project team always cherish a dream of giving the best products and services with professional grit & resilience. Delighting clients is what drives us. We believe in creating Innovation and Integrity for future generations & delivering The Best That Exists.

OUR VISION

To Offer and Deliver Bespoke and innovative design down to the last detail!

OUR MISSION

As a professional interior design company, Skep Interiors aims to exceed clients' expectations by providing exceptional service, honoring deadlines, and creating unique designs based on their specifications.

Why Choose Us!

A choice that makes difference

We at Skep interiors is committed to helping our clients reach their goals in Interior Design and Interior Fit outs. Our strong sense of identification with client projects means that we are constantly striving to provide solutions, even for issues they aren't yet aware of. To this end, we adopt a progressive approach to technology and marketing strategies. This sense of identification also means we value and promote seamless interaction with client's own team, and ensure the best value is obtained from their project budget. As a result, we strive to share the experience we acquire across our organization.

Business Description

Our Objective

Enhance Customer Satisfaction

Skep believes that building customer loyalty through providing the best service in the market is the most important business objective. Customer satisfaction is the driving force behind all of our achievements. We strive for improvement with every project by taking feedback from customers to make the best product and service available to consumers.

Boost Brand Trust

It is said that, trust is the foundation for every relationship. Skep believes in developing brand trust. Similar to customer satisfaction, brand trust helps us in developing network that leads to better community & culture. Skep builds the brand trust by delivering project on time, maintaining consistency in products & services, taking control over problem & providing appropriate solution, by being transparent in terms of service & product delivery.

Improved Product & services

Skep believes in customer centric model business. We keep customer at the heart of business, which leads to development of product and service as a tailor made for them. We have integrated helpdesk management facility to resolve any issue on time.

CEO MESSAGE

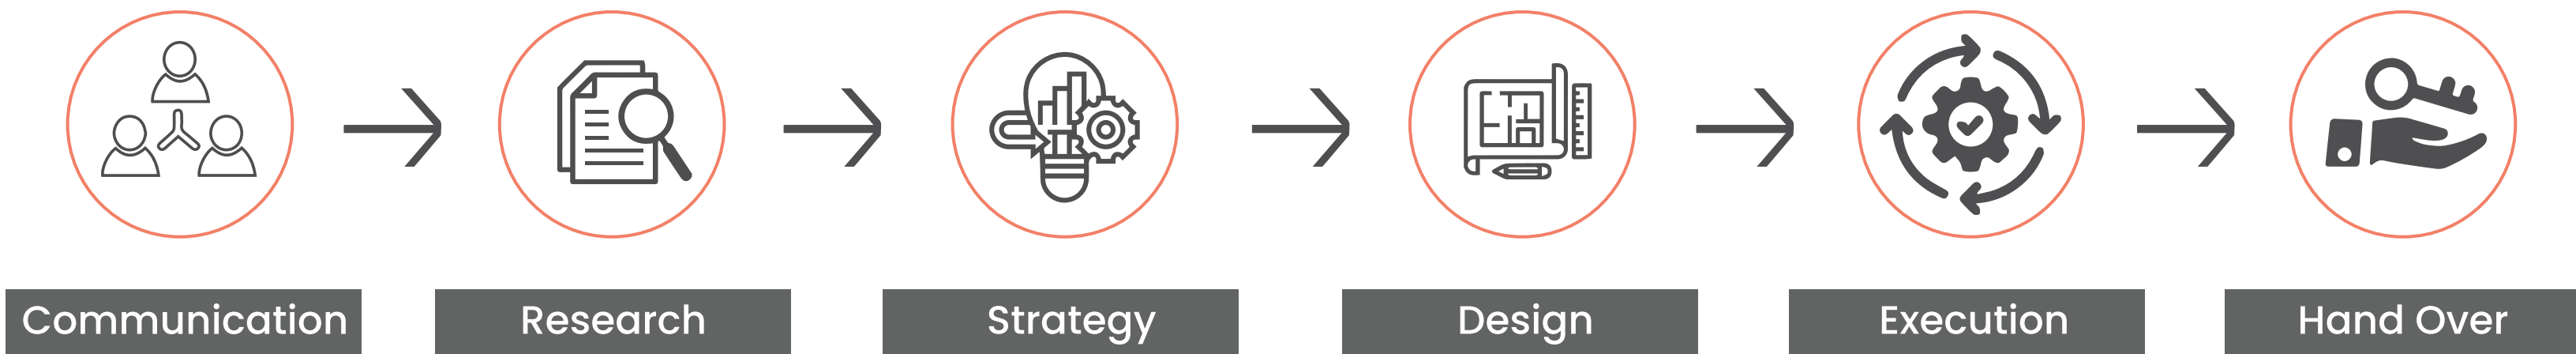

“Skep believes in customer centric model business. We keep customer at the heart of business, which leads to development of product and service as a tailor made for them. We have integrated help desk management facility to resolve any issue on time.”

Our Services

-  Interior Design & Consultancy
-  Interior Fit Out
-  Architectural Services
-  Maintenance & MEP Service
-  Visualization & 3D Designs

Interior Design & Consultancy

Skep offers innovative and luxury interior design consultation for commercial and residential spaces. We believe in creating exciting and wonderful spaces according to client's taste and demands. From online interior design consultation to 3D renderings, we aim to provide complete interior solution online, no matter where you are. Aside this we provide a healthy and safe lifestyle by incorporating the concept of Universal Design in projects for customers who have limited accessibility and physical disabilities.

Planning & Designing Space

Space planning is an essential step in the interior design process. Without proper space planning, you risk creating a design that is not optimal and that doesn't work well for your client. The key to a successful design job starts with determining the purpose of the space being designed. Skep interiors have efficient and creative team to make your space Optimized.

Villa Interior & Exterior Designing

Interior and exterior design not only beautifies the interior of villa but also makes sure that it adds functionality to your home. Functionality is one of the key aspects of interior design. This is because a good exterior and interior design shows that owner put time and effort into making your home look its best. Skep interiors can help you preplan your design with help of well experienced architects.

Apartment Interior Designing

Skep interiors commit to provide you the standard apartment design. The customers are trendy and high-quality demands, so we focus on quality. Specific models with large apartments in our portfolio for customers for ease in selection. We work in types of modern luxury and stylish, customization themes.

Project Management & Consultancy

Interior Design Project Management and consultancy is the process of ensuring all aspects of your project are planned for, coordinated and the execution is planned to perfection. Interior Design projects can be complex long-term projects that require a high level of coordination. In Skep we have well experienced in-house team to manage any fit out projects efficiently.

Interior Fit out

Skep is trusted as a leading Interior Fit out Company across the country since years. The presence of capable workforce in our team is one of the prime reasons behind our success. Be it a small-scale business or even a large-scale project, we accomplish our task for every client with equal perfection through maintaining highest standards in every step. A touch of elegance and class is our specialty. We can assist you with a wide array of interior essentials like furniture, furnishing or any other interior decoration work when it is about providing turnkey solutions to any type of commercial or industrial premises. Our out-of-the-box approach to initiate every project's work, executing even the tiniest detail in a professional way and delivering the outcomes better than expectations has earned us many loyal customers.

Retail Outlets

We create a quality interior solution that meets the marketing needs of the retail store. Interior concepts developed by our professional retail design team. The probability of buying products depends on how harmoniously the shop-window and the interior are in general. Our retail design team will create a solution for any type of store: clothes, jewelry, food, Warehouses and showrooms.

Restaurants & Coffee Shops

Restaurant fit out execution is our specialization. Skep offers a turnkey design and fit out service, creates a design and executes it in the shortest time and at the highest level of quality. We have a large team of specialists with extensive experience and knowledge in restaurant design and execution.

Shops & Malls

As one of the most reliable mall retail fit out services, Skep offer solutions that exceed your expectations. You don't have to spend time for securing the needed permits because our professionals take up this responsibility with discipline. We make ourselves available on-site for any type of inspections.

Corporate Offices

We are sure that the thoughtful planning and qualitative fit out of commercial offices is the guarantee of productive work of the staff and creation of a good image of the company. We guarantee high quality and reasonable office fit out cost.

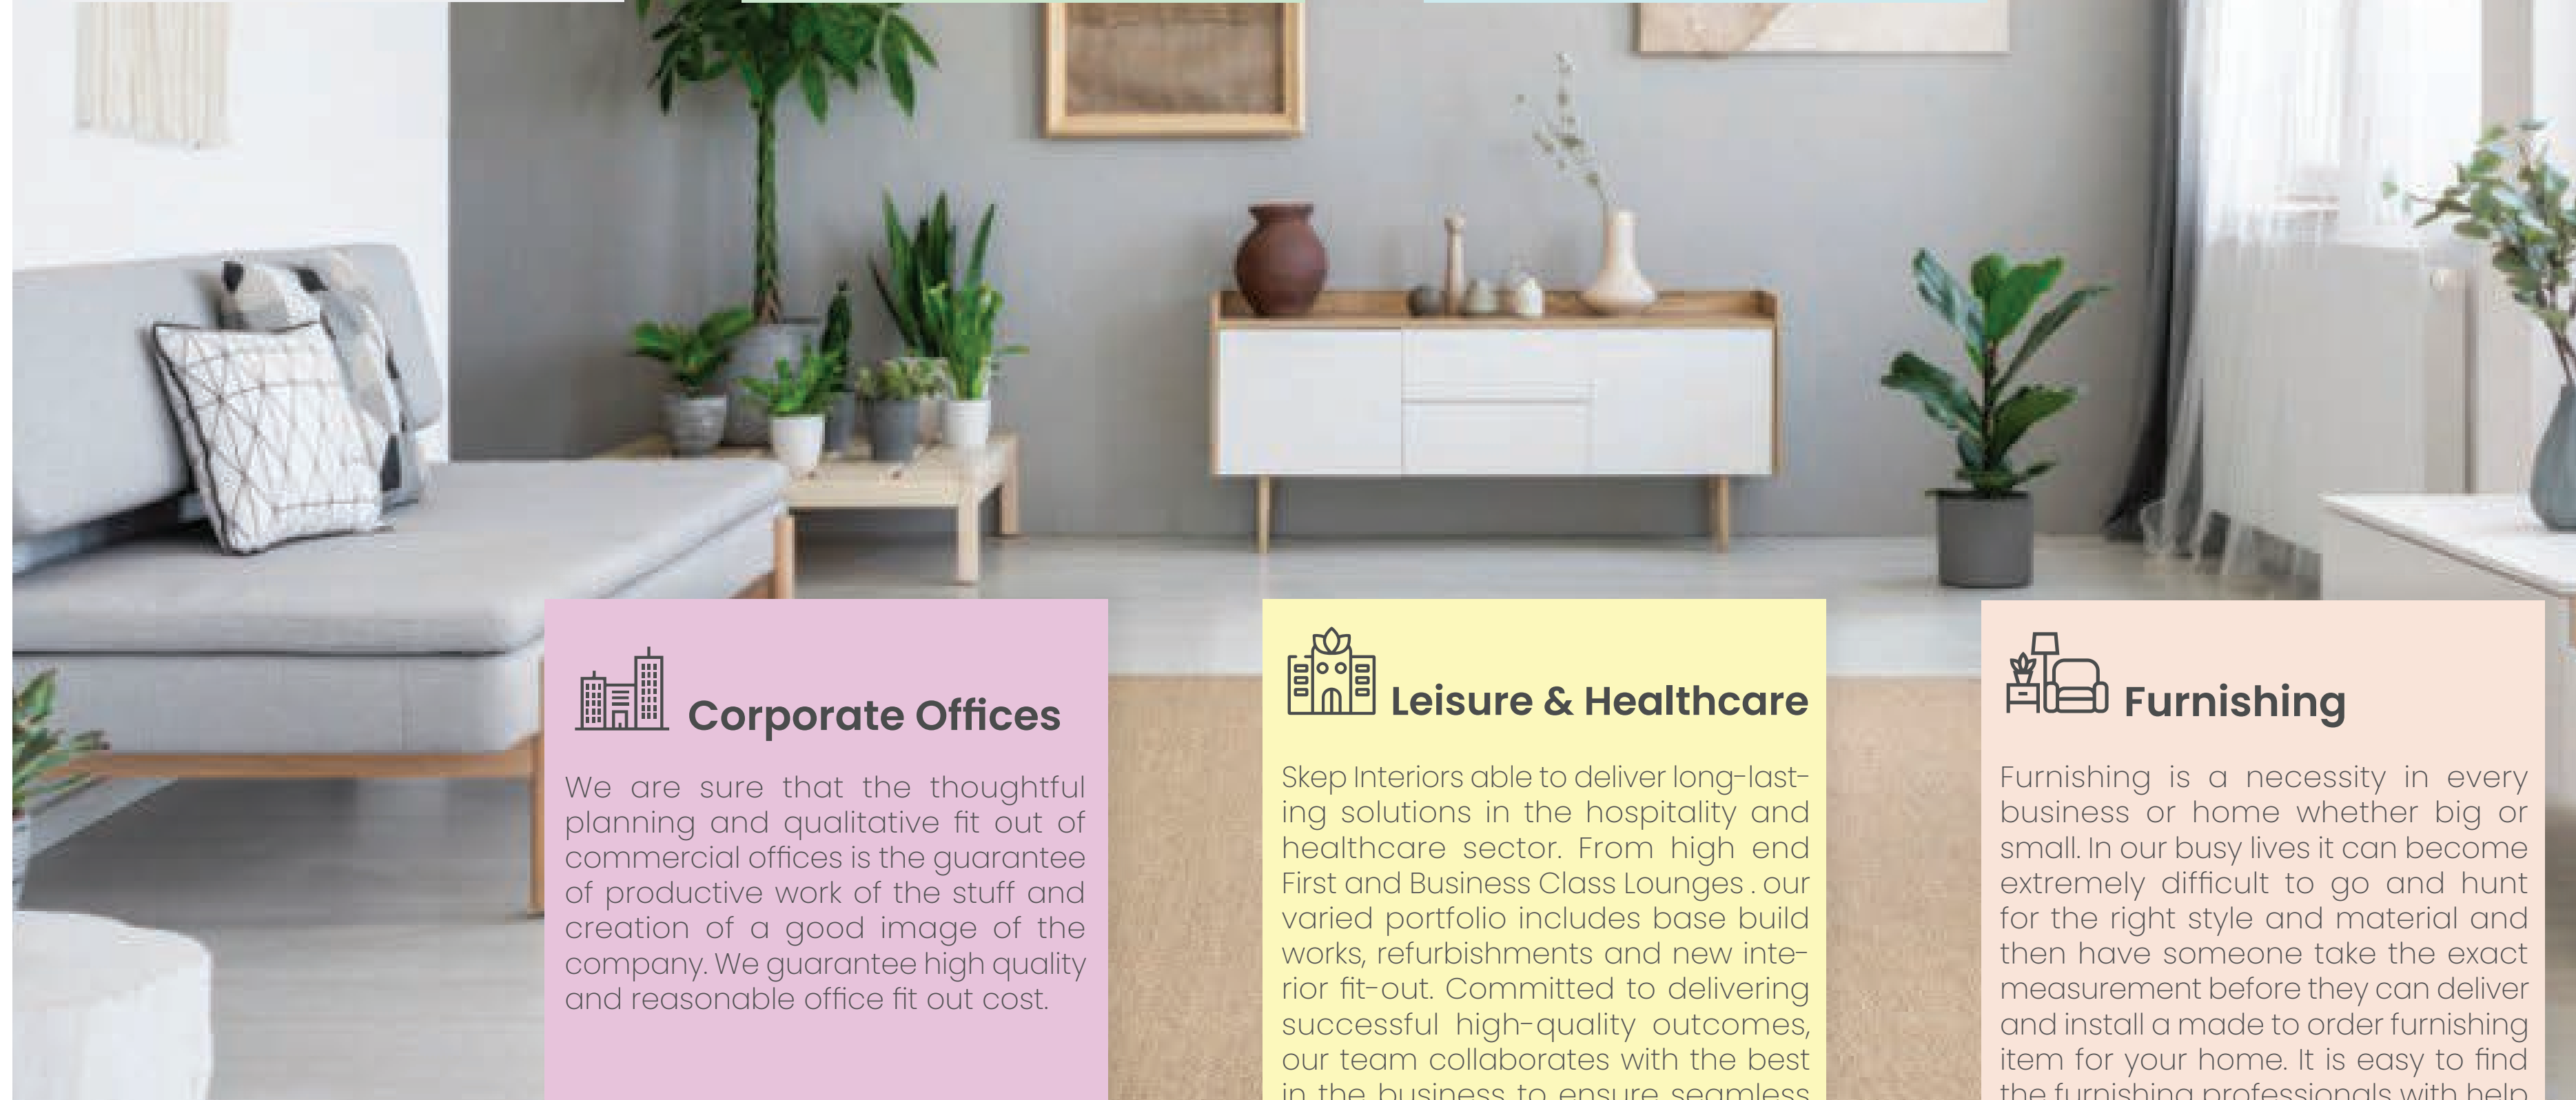

Leisure & Healthcare

Skep Interiors able to deliver long-lasting solutions in the hospitality and healthcare sector. From high end First and Business Class Lounges. our varied portfolio includes base build works, refurbishments and new interior fit-out. Committed to delivering successful high-quality outcomes, our team collaborates with the best in the business to ensure seamless delivery.

Furnishing

Furnishing is a necessity in every business or home whether big or small. In our busy lives it can become extremely difficult to go and hunt for the right style and material and then have someone take the exact measurement before they can deliver and install a made to order furnishing item for your home. It is easy to find the furnishing professionals with help of Skep with the service you deserve.

Skep interiors bring to bear a design management approach that analyses and synthesizes constraints and opportunities to realize new possibility. Drawing on our richness of skill, your design and project plan takes on a sustainable, powerful, strategic and commercial role. You can expect an integrated built outcome that is technically competent, elegantly resolved, meets current standards and exceeds your expectations. Our team is also aware about International Standards of designs and project execution and pretty much capable to handle all type of fit out projects. You will experience efficient management of your Interior Project with resourceful coordination of physical spaces with interior finish and furniture elements; all of these together provide an engaging, practical, and long-lasting environment for you and your project.

Decorative Fixtures

Whether it's your business or home, Skep can help you beautify your space by offering the most suitable decorative fixtures solutions. You can seek our assistance for anything from planning a shop décor to renovating the house.

Painting Services

Our team of painters offers experienced professional painting service. Also offers complete interior wall painting services and ceiling painting services. Our Painting services are the best in terms of prices and quality.

Joinery Works

Customized furniture, fixtures and equipment for F&B, hospitality, retail spaces and luxury villa are niche segment that needs absolute professionalism and high quality delivery standards. They all are built from industry specified and top quality raw materials under strict supervision and planning. Again, our stringent quality standards will ensure even luxurious works are done at cost competitive prices. Also, delivered on time with precise perfection.

Masonry Works

With the skills and experience, our experienced masons work under an engineer who supervises the project. Our services in masonry include construction, demolition, repair services, and maintenance works. We also do remodel and renovation for your residential and commercial buildings to make them look brand new.

Maintenance & MEP Service

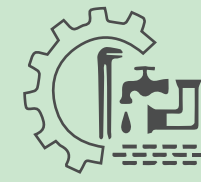

Skep is a results-oriented Fit out and Maintenance company, Whether you need a general Maintenance or a renovation Company to oversee a new building or renovation project, or you are looking for a company you can trust to help keep your property in top shape, we are ready to help in any projects. The services are so extensive that we have created a separate division to showcase those services and make it easier for you to find what you are looking for. Skep interiors can provide these services at a highly competitive cost, while exceeding your expectations. We are proud of our reputation and know that you will notice the difference in the services we provide because we are the company that "The Best that exists".

Annual Maintenance Contracts

Our major approach in managing appliances and devices is to execute a well-planned maintenance program that reduces the current maintenance amount spend, minimizes the overall repairs, and increases the appliances operating life. Our Annual Maintenance Contract offers premium quality maintenance, repair, renovation and installation packages with several callouts, and 24/7 customer support so you can have an amazing experience.

Our basic Annual Maintenance contract Services include:
Maintenance of AC units,
Commercial and residential properties renovation works,
Swimming pool works, Carpentry works, Plumbing services,
Interior and exterior painting works, Duct cleaning etc.

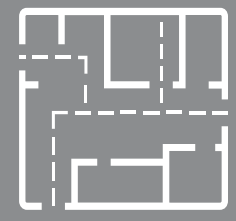

Electrical & Plumbing Services

Our experience in delivering timely and economical electrical and plumbing works and our multi-talented human resource helps us deliver a wide plethora of electrical and plumbing contract services. Apart from carrying out all types of general electrical and plumbing maintenance and repair works, replacement electrical and plumbing services also deliver other electrical works such as home electrical inspection and correction, examining, checking and replacement of all services and installations as required by the client.

HVAC Services

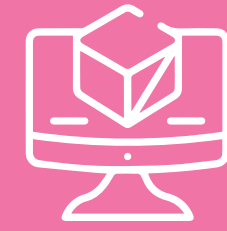

Our team is expertly trained in both residential and commercial AC installation and repair on all types of AC units. We undertake all types of AC maintenance, AC repair service, and Air conditioning & Ventilation installations such as: Chilled Water System, D-X Package & Ducted Split System, Mechanical Ventilating System. Skep is dedicated to achieving excellence and is your one-stop-shop for all of your air conditioning needs. Our experienced team collaborates to provide our clients with the best service and workmanship possible. We can assist you in locating the best system for your property to keep you cool all year.
